

SIMONE RUGGERI

INTERNATIONAL EVENT AND ADVERTISING MANAGER

After the bachelor's degree in Economics and Business, Simone Ruggeri started to work as a Financial Advisor in Milan.

With his specialization in show business he began to be a consultant for many significant artists and companies. In 2008 he became the main owner of the first and famous advertising, TV, cinema and production company known as "Caremoli" born in the 70s.

Now that group is been transformed into the current Caremoli Ruggeri which has maintained its prestige and original influence by implementing marketing and communication services.

Simone Ruggeri in addition to his major role within the Group, continues to act as a consultant to important entrepreneurs by investing in his real estate assets and business opportunities.
